## DESCRIPTION

With a simple and clean design but a vibrant personality, the Sunray Meg coffee tables add a distinctive splash of color to outdoor settings.

The Sunray Meg family hosts a series of versatile, practical coffee tables in various sizes and heights that blend in perfectly with the most diverse compositions of the Outdoor collection.

The simple, airy design of the metal tubular structure in polished Bronze finish allows for its combination with all the products in the collection.

Its distinctive feature is the color of the top in stratified HPL laminate, available in glossy lacquered White, Rust and Khaki Green finishes, blending in seamlessly with the palette of the outdoor textile collection.
