Superquadra

Marcio Kogan / Studio Mk27

DESCRIPTION

The Superquadra table, with its rectangular, minimal design and sizeable proportions, rests on four aluminium legs with a polished Brandy-coloured finish, sticking out from the line of the top, to give them an airy look. The considerably thick top incorporates the folding technique, maintaining the continuity of the veining from the top to the sides. Available in four sizes, from 250 cm to 400 cm in length, it enhances the aesthetic and textural properties of the Dark Brown stained palisander Santos with matt polyester lacquered finish and the Black lacquered open-pore flamed ash, as well as of the Dark Brown stained palisander Santos combined with Sahara Noir marble with matt polyester varnished finish.

FEATURES

- Top: made of 60 mm thick mitre-fold boxed MDF, available in the following finishes: - 16 mm thick palisander Santos* veneer, stained Dark Brown with polyester matt lacquer finish
