Synapsis

Jean Marie Massaud

DESCRIPTION

The Synapsis table looks like a big oval with cut ends.
The innovation of this item is represented by the bearing element: a plated, white or black steel wire grille that has been emptied and transformed in a web of welded pipes.

FEATURES

- top available in Pral ®, in all the lacquered shades of the sample collection, white or black high resistance matt lacquered, in black stained hemlock and in “carbone” oak or eucalyptus for the rounded version
- chromium-plated steel or white or black varnished legs

DIMENSIONS
