# Tank Wine Glasses

Tom Dixon

## **DESCRIPTION**

Tank Wine Glasses are sold in pairs. Mouth-blown and ornamented with hand-painted copper detailing they form part of a collection alongside the Tank Decanter, Low Ball, High Ball and Champagne Glasses. A Jug and a set of vases are also part of the Tank range. Presented in gift-packaging.

In Black, Tank sets a mysterious and indulgent tone. Created through a technically demanding fusion of clear and solid black glass, Tank is mouth-blown into the graphic forms for timeless table top architecture.
