# Tinkering

Joost Van Bleiswijk

## **DESCRIPTION**

Tinkering, designed by Joost van Bleiswijk, captivates its spectators through a rhythmic composition that is made from black coated stainless steel and brass. The light is available in two sizes, Tinkering 85 and Tinkering 140, which feature 7 and 12 light sources, respectively. The light caps are individually adjustable, and Tinkering is powered through Electrosandwich® technology by Marcel Wanders.

## **FEATURES**

- Metal frame, brass shades and polycarbonate diffusers
- 

## **DIMENSIONS**

- 32.7"L x 16.1"W x 11.4"H  
54.7"L x 18.5"W x 11.8"H
