

MINIMA

Trama Intreccio

DESCRIPTION

Sophisticated atmospheres take shape thanks to the skilled dexterity of expert craftsmen. The headboard, completely covered with hand-woven leather, is a real eye-catcher. The result is a refined pattern made up of slim strips arranged at right angles. Accurate seams impeccably sew together the upholstery of the entire bed frame. Seamless results enhance the expressive qualities of leather and the features of a design with a modern soul that expresses itself through refined details.

FEATURES

- The bed frame is covered in leather
