TREVI PENDANT

CTO Lighting

DESCRIPTION

Inspired by the famous fountain at the Piazza di Trevi, the junction of 3 roads which marks the terminal point of an aqueduct. The arms of the Trevi pendant provide a perfectly balanced composition where the lines meet and extend at the precisely formed central pillar. Illuminated with either 3 or 6 glass shades, this contemporary centrepiece has satin brass or bronze finishes with matt opal glass shades.

DIMENSIONS

Small: 43.3" x 37.4" x 9.8" (min drop 2")

Large: 60.6" x 39.8" x 9.8" (min drop 2")

FEATURES

- Finishes: satin brass with matt opal glass shades or dark bronze with matt opal glass shades
