TUFFET

RODOLFO DORDONI

DESCRIPTION

A contemporary take on the traditional Moroccan ottoman, Tuffet, with its circular volume and the soft curve of its seat, adds a romantic touch to the living or night area. The fully detachable covering, in fabric or leather, features two sets of piping around the circumference and seams with embroidery that enables them to remain symmetrical yet follow the curve of the seat. Available in one size its base sports a glossy Pewter-coloured, lacquered finish, and sits on five invisible, full-swivel wheels.
