

minima

Van Dyck

Rodolfo Dordoni

DESCRIPTION

Created with first-rate materials and a contemporary flavor, the Van Dyck is a one-of-a-kind designer object, where refined details match a passion for high-quality finishes.

FEATURES

- three glass-top versions: available in oak—natural brushed, grey tinted, Moka and black lacquered, and characteristic burled walnut
- dynamic metal base made up of 3 tubular legs crossed with each other, in the finishes bright chrome-plated, black-nickel and black, butter pewter lacquered

DIMENSIONS
