Vuelta Sofa

Jaime Hayon

DESCRIPTION

Rotation, turning, return – these are the meanings of the Spanish word Vuelta. The backrest rotates playfully around the corner, becomes the armrest, continues on to the sitter – or recliner—in order to enclose them, as in an embrace. The special shape is divided by expertly crafted seam patterns, as a reminiscence of Josef Hoffmann.

FEATURES

- upholstery available in a variety of fabric and leathers
- wooden frame with molded wooden shell
- legs in powder-coated bronze, black gray, polished chrome, black chrome, satin-matte brass, or gold
- also available as a large or small armchair
