Wrap object

SkLO

DESCRIPTION

SkLO wrap objects are a wound length of handblown Czech glass tube. Each SkLO wrap object is a unique handmade piece, no two exactly alike. Whether alone, in threes, or in larger groups, wrap presents a distinct opportunity to display the beauty and immediacy of glassblowing.

FEATURES

- Small available in transparent colors: lagoon, smoke, steel blue, amber, clear, fuchsia, purple
- Small available in opaque colors: gray, apricot, white, new blue, dark green, celadon green
